

Example Research Project Grading Sheet shows the balance between individual and group grades. These are not real students, but rather the grades are made to show the balance of individual and group accountability among successful and unsuccessful group members. **I: Individual Grade**, **G: Group Grade**

Research Group Z	Total Points	Student 1	Student 2	Student 3	Student 4
G: First meeting points	5	5	5	5	5
G: Initial project question & literature summary	10	7.5	7.5	7.5	7.5
I: Literature reviews	10	9	7	6	9
G: Revised research question	5	5	5	5	5
