

# CURE Entry – By 3:30 pm Sat.

By 3:30 PM Saturday, you should have drafts of the following elements of your CURE entry ready for preliminary feedback:

- Title
- 2 research goals
- 3 student goals
- CURE design
- At least 1 (ideally more) set of objectives aligning student and research goals
- 1 example lesson, assignment, guidelines – what specifically will students do to make progress toward achieving objectives?
- 1 example assessment tool – how will you know students are achieving objectives?
- Instructional staffing

**Uploading photos and choosing appropriate tags are both easier before you click SUBMIT.**
