

The Earth Sciences Department at SUNY Oneonta announces:

GEO FYRST 2009

Geologic **Experience** Outdoors: the First-Year Regional Summer Trip

- ❖ A six-day, pre-semester field trip exploring the geology of the Catskill Mountains, the Berkshire Hills, Cape Cod, and more.
- ❖ 12 incoming freshman, 2 faculty, and 2 student mentors.
- ❖ Open to ALL incoming freshman, regardless of major.
- ❖ Participants enroll in a special section of GEOL 120, *Planet Earth* (Gen. Ed.), open to trip participants ONLY.
- ❖ Just \$90 per participant.
- ❖ Departs Tuesday August 18th; Returns Sunday August 23rd.

"This was really fun and I am grateful to have done this before school started. Great ice breaker." - GEO FYRST 2007 participant
