

Two-plus-two curriculum in Geology (showing only STEM classes)

Freshman year at EPCC

Fall

Physical Geology
Precalculus I

Spring

Historical Geology
Precalculus II

Sophomore year at EPCC

Fall

Geology elective (envir.
geol. or research)
Calculus I

Spring

Geology elective (envir.
geol. or research)
Chemistry I (pre-req for
Mineralogy)
Calculus II

Junior year at UTEP

Fall

Mineralogy
Geoscience
Processes
Physics I (or
Chem II)

Spring

Petrology
Physics II
Geol.
electives

Fall

Structural Geol.
Sedimentology
Thermal physics

Senior year at UTEP

Winter-
mester

Field Geol. I

Spring

Geology
electives

Maymester

Field Geol. II
