

Earth's Radiation Balance

Synthesis Group (circle/complete assignment below):

Hemisphere: Northern/Southern **Longitude:** 150 West

Create a concept sketch including an annotated graph of the radiation balance vs. latitude and supporting map in the space below

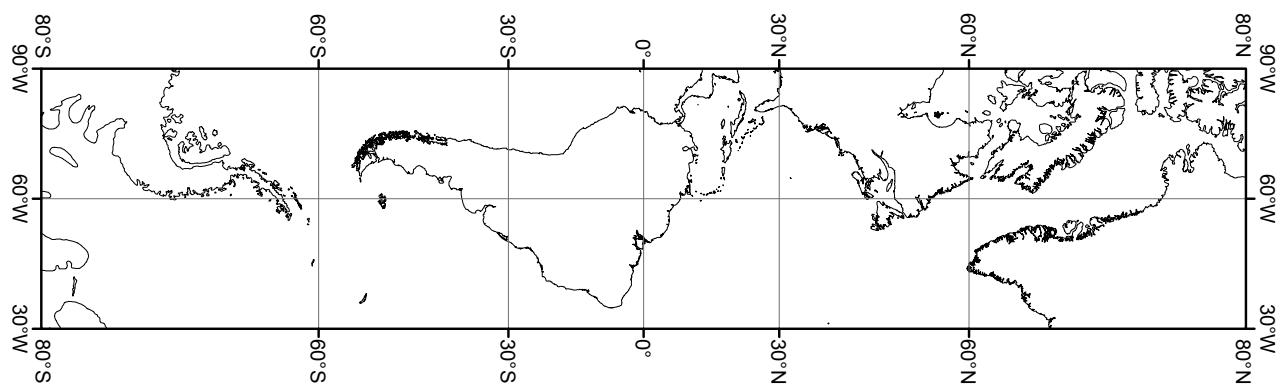

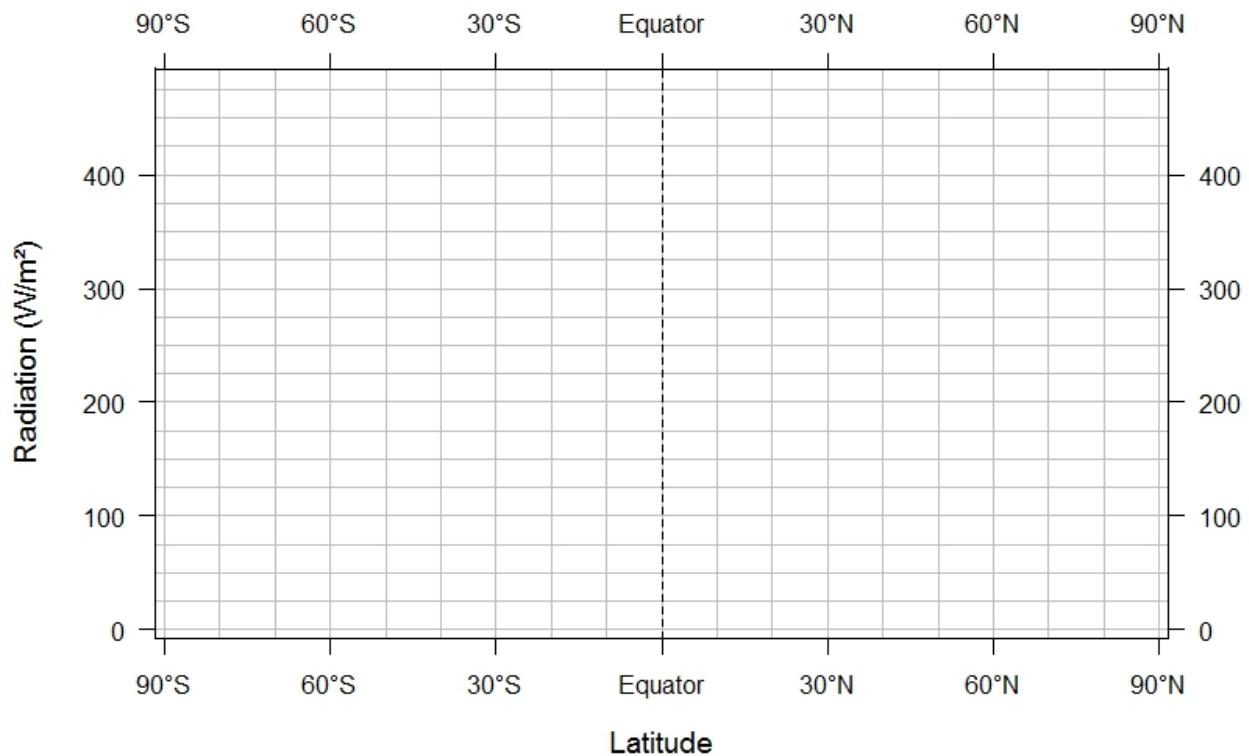

Earth's Radiation Balance

Synthesis Group (circle/complete assignment below):

Hemisphere: Northern/Southern **Longitude:** 60 West

Create a concept sketch including an annotated graph of the radiation balance vs. latitude and supporting map in the space below

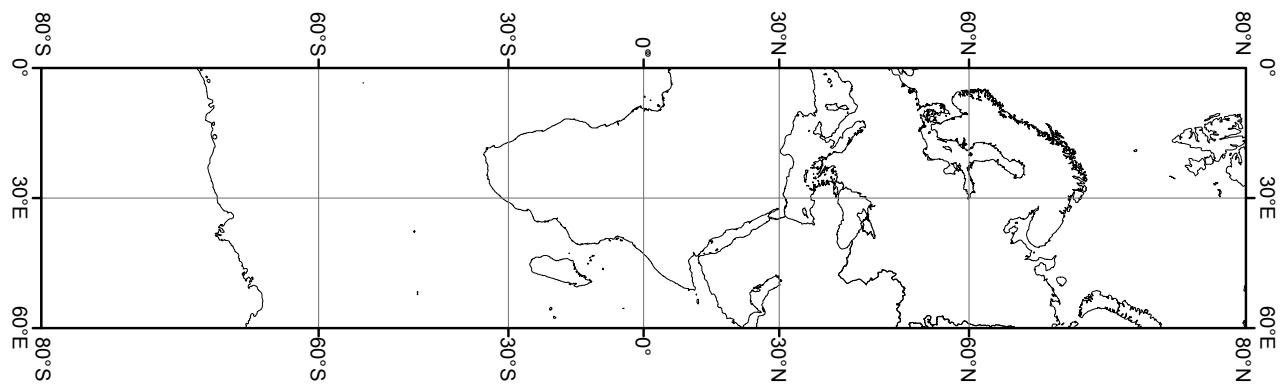

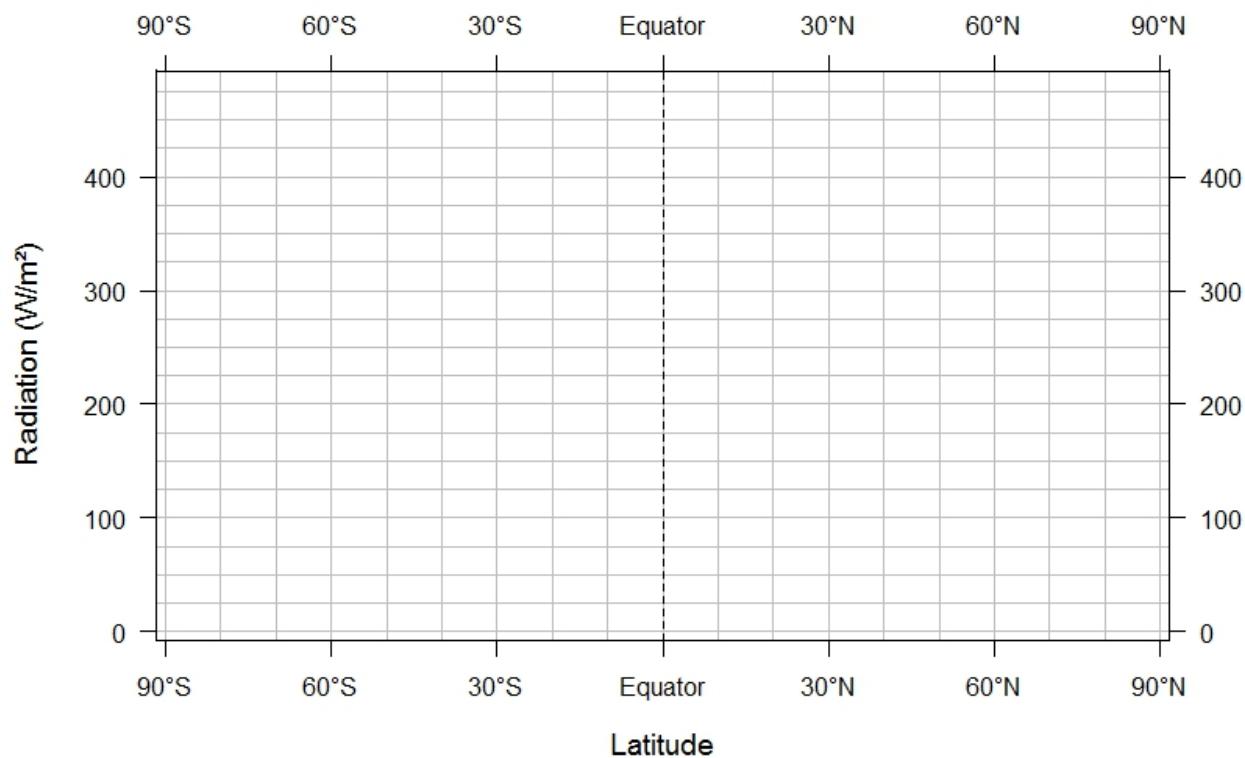

Earth's Radiation Balance

Synthesis Group (circle/complete assignment below):

Hemisphere: Northern/Southern **Longitude:** 30 East

Create a concept sketch including an annotated graph of the radiation balance vs. latitude and supporting map in the space below

Earth's Radiation Balance

Synthesis Group (circle/complete assignment below):

Hemisphere: Northern/Southern

Longitude: 120 East

Create a concept sketch including an annotated graph of the radiation balance vs. latitude and supporting map in the space below
