

## GEOLOGY AROUND THE WORLD

Writing Assignment

GEOL 1122

The purpose of this assignment is to investigate and report on the geology of your assigned location. Your assigned location around the world reflects one of your eight preferences submitted during class. The above map shows all locations that will be covered by you and your fellow students in GEOL 1122. Thanks for submitting such diverse and interesting places around the world to select from for this work!

### INSTRUCTIONS:

Two copies of your report must be submitted:

A hard copy handed in at the start of class and an electronic version submitted on *Desire2Learn*.

The following is a list of items that you must address in your write-up. Any other interesting facts learned during your research are appreciated.

- Landscape Description (e.g., mountains, flood plains, cliffs, etc.)
- Geologic Setting aka “How/Why Formed” (e.g., hot spots, marine basins, glaciers, tectonics)
- Types of Rocks & Ages (e.g., sedimentary – shales – “Devonian” or 350 million years ago)
- Relationship of Geology To Society/Economy/Tourism/Environmental Concerns (e.g., fertile soils)

Below are formatting instructions for your report and information on how you’ll be graded on this work.

- Typed, Font (Calibri), Size (11)
- Spacing 1.5 Lines, 1” Margins
- No title page is needed.
- No less or more than 3 FULL pages of text.
- Headers should be single-spaced and not use up more than several lines on the first page.
- 1 Figure (e.g., map, graph, photo) and 1 Table (e.g., numbers, text) should be on the 4<sup>th</sup> page.
- Refer to these in the write-up. List your sources of information beneath each on the 4<sup>th</sup> page.
- Figures/Tables may be directly copied from sources if given credit or you may create your own.

This project should be done on your own, and reflect your own work. Thoughtfully investigate your subject and report on your findings in your OWN words. Plagiarism will not be tolerated. All write-ups will be checked for inappropriate copying from other works. You may utilize the plagiarism check feature in *Desire2Learn* to check your own report before submitting it in final form. Zeros will be given as per the syllabus and penalties reported consistent with GSU policies if any sort of plagiarism is found.

Sources do not need to be cited in text, but all used for writing your report must be in your references. That being said, direct phrasing copied from a source must be in quotes with the source cited in the text. Your reference list should be added as the 5<sup>th</sup> and final page of your write-up.

Website sources are permitted and use of additional sources is encouraged.

Five sources (at least) must be used. Eight (or more) is preferred.

There is no specific format required for the bibliography (but be consistent in your choice of formatting).

The assignment is worth 5% of your final grade (homework portion of syllabus). You'll be graded on:

- 1) Following Instructions
- 2) Quality of Content
- 3) Writing, Spelling, Grammar
- 4) Organization of Information
- 5) Adhering to Format Guidelines
- 6) List of Sources

Late assignments will be accepted with a penalty that increases for each day late (5 points off per day).

No work will be accepted beyond 5 days after the due date. If you have further questions, let me know!

Below is the complete list of places to be investigated. Check *Desire2Learn* for your specific assignment.

|                           |                  |                    |                     |
|---------------------------|------------------|--------------------|---------------------|
| <i>Afghanistan</i>        | <i>Fiji</i>      | <i>Kuwait</i>      | <i>Russia</i>       |
