**Instructions for Pre-test:**

Go to the following website: [wamap.org](http://wamap.org)

Login using the following:

- Username is your key account ID (your email address before "@my.waketech.edu")
- Password is the word "password" (you can change this once you are logged in)

Click on the name of this course

Click on "Pretest"

Answer the 10 questions to the best of your ability. You will receive a "complete" grade for taking this quiz, regardless of your actual score on the quiz. Remember that the purpose of this quiz is to give me a starting point for teaching math concepts in this class, so I need accurate results – just do the best you can!

Instructions for remaining modules and quizzes will be handed out later and posted in Blackboard.
