

Dear [Name],

On behalf of the National Association of Geoscience Teachers (NAGT) and the *Journal of Geoscience Education* (JGE) committee, I am delighted to congratulate you on being this year's choice for the [Year] **JGE Outstanding Reviewer Award**! The committee spoke highly of your insights across article types, appreciating your reviews as thorough, respectful, and supportive. We are sincerely grateful for all you have done for JGE and the authors we serve.

You were nominated by [Nominator], who submitted a thoughtful letter highlighting your contributions. The committee was truly excited to select your work for this honor.

We invite you to learn more about the JGE Outstanding Reviewer Award and view past recipients by visiting our website: [https://nagt.org/nagt/awards/jge\\_awards.html](https://nagt.org/nagt/awards/jge_awards.html). You will be among an impressive list!

We do hope that you will be able to **join us for the Virtual Awards Ceremony on the last Friday in September**, where we will acknowledge you and the other award recipients. Award winners will also be announced in our members newsletter, NAGTNews, featured in our online publication, *In the Trenches (ITT)*, and highlighted on the NAGT website. We'll be contacting you soon with more information.

Again, congratulations and we hope to see you in September!

Cheers,
