Planning for Change

TRAVELING WORKSHOPS PROGRAM

The Traveling Workshops Program (TWP) brings NAGT's professional development program to you, working with you to customize a workshop to meet your group's needs.

- Building a Strong Geoscience Department and Program
- Strengthening your geoscience courses
- Inclusive Mentoring
- Building inclusive geoscience leaders
- Developing and supporting graduate teaching assistants

Career & Workforce Preparation

BUILDING GEOSCIENCE WORKFORCE SKILLS AND AWARENESS

This collection of resources and activities is organized to provide you with background knowledge about the geoscience workforce and desired workforce skills, and then to explore strategies for supporting students in building workforce skills and awareness.

CAREER HUB

Are you actively hiring? Consider posting your job advertisement on our Career Hub, which includes promotion on our LinkedIn page as well.

NAGT/USGS COOPERATIVE SUMMER FELLOWSHIP PROGRAM

Started in 1965, the NAGT/USGS Cooperative Summer Fellowship Program is the longest continuously running internship program in the Earth sciences. Department chairs, program heads, and field camp directors nominate students for the program.

Awards

Do you have colleagues or students that deserve recognition for their achievements? The following awards are particularly relevant to departments, programs, and organizations.

OUTSTANDING TEACHING ASSISTANT AWARD

NAGT recognizes outstanding teaching assistants with two award deadlines annually (December 15 and June 15). Both undergraduate and graduate teaching assistants are eligible for the award.

EXCELLENCE IN JEDI AWARD

The Excellence in Justice, Equity, Diversity, and Inclusion (JEDI) Award is presented annually to an individual or group who has made significant contributions to JEDI in geoscience.

STIMULATION OF INTEREST IN THE EARTH SCIENCES: NEIL MINER AWARD

This award is given every year to an individual for exceptional contributions to the stimulation of interest in the Earth sciences.
