

Upgrading Your Teaching, Part 2

Instructions

- Group check-in, share updates to activity or any questions
- Plan for remaining time: 1 hr 45 min
 - Get group feedback on your activity
 - Continue upgrading or working on an activity (on own or as group)
- Prepare for whole group report out (suggest reconvening 45 before the end)
 - Share a highlight (new teaching approach, remaining challenge to resolve, new tools incorporated)
 - Use template for guidance if helpful

Upgrading Your Teaching

Group Members:

This is meant to guide report-outs, please edit or change the template as needed for your group. You can use other platforms or share your Group Notes page instead.

Group Highlight(s)

- Share how a teaching activity evolved or was updated over the session
- Are there any challenges still working to address?
- Consider adding screenshots of teaching activity when sharing highlights

Each group will have ~5 minutes to share outcomes.

Please share 2-3 few highlights rather than focusing on all discussion points
